GREEN CHANNEL POLICY: INSTRUCTIONS

1. Please refer:-
 - (a) Green Channel Policy issued by MoD/DDP vide 43(5)/2015/D(QA) dt. 24 Mar 2017.
 - (b) SOP on grant of Green Channel Status issued by 25 Oct & 04 Nov 2019.
 - (c) JSG 015:2021 issued on 25 Nov 2021.
2. Presently firms who have applied for Green Channel Status and already holding valid ISO 9001: 2015 certification were again being assessed by the Green Channel Committee for QMS attributes since the same was mandated vide Para 21(a) of "SOP on grant of the Green Channel Policy" at Para 1(b) above.
3. In the recently notified JSG 015:2021, assessment of Part I (QMS) of vendors, who are already holding a valid ISO 9001: 2015 QMS / AS 9100 Aerospace and Defence / ISO 13485 Medical Devices / IATF 16949 Automotive / IMS certification, has been waived off.
4. On the similar lines, Part I (QMS) evaluation of firms, who have applied for GCS will not be carried in case they hold a valid QMS certification. The above instructions be implemented with immediate effect including all ongoing cases. Part I of the MSQR hence will not be included in such cases. MSQR with Part I and II will be included as hither-to-fore for firms which do not hold a valid ISO QMS certification.
5. Rest no change.
